## Professional Summary

A dedicated tech enthusiast, I have a growing passion for Artificial Intelligence and a commitment to enhancing my skills in my domain. My focus is on leveraging technology to solve complex problems while also strengthening communication, collaboration, and adaptability in professional environments. I am eager to contribute to innovative projects and continue learning in the ever-evolving world of tech. Proficient in programming languages like Python, C, and JavaScript, with experience in designing and developing dynamic web applications. Adept at problem-solving and optimizing code for efficiency, with proven expertise in MySQL and modern frameworks. Eager to contribute to challenging projects and thrive in collaborative environments.

## Skills

- **Programming Languages:** HTML, CSS, JavaScript, Python, C
- **Databases:** MySQL
- **Frameworks and Tools:** Git, Responsive Web Design

## Education

- **B.Tech in Computer Science and Engineering (AI & ML)**  
*Dronacharya Group of Institutions, Graduation: 2028*
- **Class XII (80%)**  
*Silver Line Prestige School, Year: 2024*
- **Class X (83%)**  
*Silver Line Prestige School, Year: 2022*

## Certifications

- Introduction to Artificial Intelligence – Great Learning
- Soft Skills for IT – Great Learning
- Advanced MySQL Functions – UpGrad
- Introduction to C – Infosys Springboard

## Projects

### TaskTrek

- A web-based project developed using HTML, CSS, and JavaScript.
- Features: Task management with to-do lists, diary entries, and short-label notes.
- Purpose: To streamline daily task management for users in a user-friendly interface.
